

Director – Tama Asset Holding Company Limited

- Strategic and governance leadership
- Post settlement future focused environment
- Potential Chairperson

Ngāti Tama ki Te Waipounamu Trust works on behalf of their iwi to provide meaningful support to the development of their members' aspirations and effectively and efficiently manage their collective assets.

An opportunity has arisen for a new director to join the Board of their subsidiary, Tama Asset Holding Company Limited (TAHC) which manages all the commercial assets. The Board are seeking a director who will continue to add to the strong diverse skill sets of the current Board through extensive commercial experience while demonstrating strategic leadership and governance, informed decision making and excellent communication skills.

To be successful for this directorship you will have both governance and senior management experience, excellent financial skills and an ability to add value around the Board table by intelligent observations and questioning. You will also have a real passion for the growth and prosperity of the Trust.
